Show the work necessary to arrive at your answer. Circle or box your final answer. Put your name on each page. The homework must be neat and follow a logical progression, or the grader may not grade the work. Staple all pages of the homework together.

Due at the beginning of class on Friday, September 7, 2007.

Section 1.5: 52

Section 1.6: 10, 14, 22, 36, 38, 48, 52, 60, 62, 66, Bonus: 58

Section 1.7: 24 (Sample Test Problems)

Don’t forget that you should be working through a significant number of other problems. A good strategy is to work through several odd numbered exercises prior to attempting the homework problems.
