Show the work necessary to arrive at your answer. Circle or box your final answer. Put your name on each page. The homework must be neat and follow a logical progression, or the grader may not grade the work. **Staple all pages** of the homework together.

*Due at the beginning of class on Friday, February 1, 2008.*

Section 6.7: 18

Section 6.8: 10, 22, 30, 48, 64, 72  **Bonus: 90**

Section 6.9: 6, 20, 32, 40, 48, 52

Don’t forget that you should be working through a significant number of other problems. A good strategy is to work through several odd numbered exercises prior to attempting the homework problems.
