Show the work necessary to arrive at your answer. Circle or box your final answer. Put your name on each page. The homework must be neat and follow a logical progression, or the grader may not grade the work. Staple all pages of the homework together.

Due at the beginning of class on Friday, March 7, 2008.

Section 8.4: 12, 16, 22, 36

Section 9.1: 6, 8, 26, 32 Bonus: 52

Section 9.2: 4, 10, 26, 30, 36

Don’t forget that you should be working through a significant number of other problems. A good strategy is to work through several odd numbered exercises prior to attempting the homework problems.
