Show the work necessary to arrive at your answer. Circle or box your final answer. Put your name on each page. The homework must be neat and follow a logical progression, or the grader may not grade the work. Staple all pages of the homework together.

Due at the beginning of class on Friday, March 28, 2008.

Section 9.6: 6, 16, 22, 26

Section 9.7: 8, 14, 18, 24, 26

Section 9.8: 4, 8, 20, 28

Don’t forget that you should be working through a significant number of other problems. A good strategy is to work through several odd numbered exercises prior to attempting the homework problems.
